

Webelos:

Summer Camp is being held from July 11-17 at Camp Crooked Creek in Louisville. I need to send in the final deposits by May 1.

I have 20 spots held right now that will get the maximum discount (\$210).....so the first 20 that give me a check for \$210 get the discounted price....just for comparison, the undiscounted price is \$235.

Webelos as long as I know you are going, we can add you also just for \$210. Depending on the response I get, I will add more Webelos on top of the 20 scouts as needed.....

Please email me back if you plan to go as soon as you can. Call me if you have any questions.

If any adult or child is going on an extended campout, all parts need to be completed. Usually most of us are having a physical 1/year anyway, so you just take this form with you to get it completed. This form is both for adults and children, and needs to be done every year. If your child has had a physical recently, you usually can just get them the form, and they will sign off on it.

Once completed, please give to Tom Brueneman. He will keep the masters, and also have copies made to keep on the trailer for regular campouts, and when needed for summer camp.
